# ABOUT US

With over 50 years of experience, we are one of the leading architectural fabricators in the United States. We have completed countless projects with major contractors, developers, architects, and designers. We continue to set new standards for high-quality architectural fabrication.

At SD Industries, we specialize in precision-engineered metal, signage, and glass solutions tailored to meet the needs of architectural, commercial, and industrial projects. With a commitment to quality, innovation, and craftsmanship, we bring expertise and advanced manufacturing technology to every project. From custom architectural metalwork and high-visibility signage to durable glass solutions, we deliver products that enhance functionality, safety, and aesthetics. Our team is dedicated to providing superior design, engineering, and fabrication services, ensuring that every product meets the highest industry standards. Driven by excellence and customer satisfaction, we work closely with our clients to turn their visions into reality. Whether you need custom fabrication, installation, or consultation, SD Industries is your trusted partner in delivering high-quality, long-lasting solutions.

# ENGINEERED FOR STRENGTH, DESIGNED FOR IMPACT.

## WEATHER PROTECTION

Shields against sun, rain, and harsh environmental conditions.

## DURABILITY

Made from high-strength materials like steel, aluminum, and glass for long-lasting performance.

## SAFETY & COMPLIANCE

Built to meet industry standards for structural integrity and load resistance.

## VERSATILE APPLICATIONS

Ideal for entrances, walkways, outdoor seating, parking areas, and transit stations.
