3 DIMENSIONAL ARCHITECTURAL MESH SDI-C15

This decorative wire mesh showcases a classic basket weave design! Crafted using three distinct crushed wires, it features the look of flat bands and a unique three-dimensional structure. With its low open area, this mesh is ideal for applications like cladding or visual screening. Designed by a skilled artisan in the shop, this pattern exudes timeless appeal. Enhance its texture and visual impact with a decorative plated finish for a striking final touch.
