MODERN-TRADITIONAL WIRE MESH
SDI-A42

The **SDI-A42** is a simple, flat wire architectural woven mesh pattern with a smooth, gentle shape. Its large open area makes it ideal for millwork and railings. This versatile mesh pattern can be woven in a variety of primary finishes and paired with a range of secondary finishes. Available in both square and diamond orientations, the **SDI-A42** remains a timeless design that bridges traditional and modern aesthetics.

A42
