DECORATIVE WIRE MESH PANELS

CLASSIC SQUARE LOCK CRIMP MESH

SDI-A07

A07

The **SDI-A07** architectural wire mesh pattern features a contemporary high-definition Lock Crimp design combined with a traditional square mesh layout. This versatile pattern easily integrates with various structures, offering both economy and a classic aesthetic. Lock Crimp weaves are highly scalable, available in square or rectangular configurations, ranging from fine to large scales. Call us to discuss your design options.
