# ABOUT US

With over 50 years of experience, we are one of the leading architectural fabricators in the United States. We have completed countless projects with major contractors, developers, architects, and designers. We continue to set new standards for high-quality architectural fabrication.

At SD Industries, we specialize in precision-engineered metal, signage, and glass solutions tailored to meet the needs of architectural, commercial, and industrial projects. With a commitment to quality, innovation, and craftsmanship, we bring expertise and advanced manufacturing technology to every project. From custom architectural metalwork and high-visibility signage to durable glass solutions, we deliver products that enhance functionality, safety, and aesthetics. Our team is dedicated to providing superior design, engineering, and fabrication services, ensuring that every product meets the highest industry standards. Driven by excellence and customer satisfaction, we work closely with our clients to turn their visions into reality. Whether you need custom fabrication, installation, or consultation, SD Industries is your trusted partner in delivering high-quality, long-lasting solutions.

# GATES THAT LAST. PROTECTION THAT MATTERS.

## SECURITY & SAFETY

Protecting every entry with unmatched strength and reliability.

## DURABILITY

Crafted from high-grade metal to withstand time and tough conditions.

## CUSTOMIZATION

Tailored designs to match your vision, needs, and space.

## VERSATILITY

Engineered for every environment—from homes to heavy industry.

## AESTHETIC APPEAL

Combining form and function with stylish, modern finishes.
