06 Swing Gates

Single Swing Gates, Double Swing Gates,
Manual Swing Gates and Motorized Swing Gates

08 Sliding Gates

Single Sliding Gates, Double Sliding Gates,
Manual Sliding Gates, Motorized Sliding Gates,
Cantilever Sliding Gates and Heavy-Duty Sliding Gates

10 Cantilever Gates

Standard Cantilever Gates, Heavy-Duty Cantilever Gates,
Motorized Cantilever Gates and Manual Cantilever Gates

12 Controlled-Access Gates

Reinforced Sliding Gates, Reinforced Swing Gates,
Anti-Climb Gate, Controlled-Access Gate Assembly

14 Industrial Gates

Heavy-Duty Sliding Gates, Heavy-Duty Swing Gates,
Cantilever Industrial Gates and Fire-Rated Industrial Gates

16 Custom Decorative Gates

Custom Wrought Iron Gates, Custom Aluminum Gates,
Laser-Cut Custom Gates and Illuminated Custom Gates

SWING GATES

Swing gates are precision-fabricated hinged gate assemblies manufactured in single, double and custom configurations. Products are available in steel, aluminum and wrought iron with project-specific dimensions and finishes.

DETAILS

Market Applications	Residential & Mixed-Use Retail & Commercial Industrial Facilities & Warehouses Airports	
Dimensions	Custom sizes based on property requirements	
Operating Configurations	Manual Hinged (Single or Double)	Automatic Powered operating provisions by others
Customization	Custom designs Decorative elements Fabricated details	
Material		Finish
 Steel  Aluminum  Wrought Iron		 Galvanized  Powder Coated  Painted  Custom

Single Swing Gate

Double Swing Gate

Manual Swing Gate

Motorized Swing Gates

SLIDING GATES

Sliding gates are precision-fabricated gate assemblies manufactured in single, double, cantilever and heavy-duty configurations. Products are available in steel and aluminum with project-specific dimensions and finishes.

DETAILS

Market Applications	Residential & Mixed-Use Retail & Commercial Industrial & Warehouses Airports		
Dimensions	Custom widths and heights for larger openings		
Operating Configurations	Manual Track system	Motorized Powered operating provisions by others	
Customization	Custom Sizes Fabricated Details Custom Configurations		

Material			Finish		
					
Steel	Aluminum	Wrought Iron	Galvanized	Powder Coated	Anodized
					
			Painted	Custom	

Single Sliding Gate

Double Sliding Gate

Manual Sliding Gate

Motorized Sliding Gates

Cantilever Sliding Gate

Heavy-Duty Sliding Gate

CANTILEVER GATES

Cantilever gates are trackless sliding gate assemblies manufactured with supporting frame systems and custom dimensions for wide openings.

DETAILS

Market Applications	Industrial & Warehouses Government & Institutional Airports		
Dimensions	Custom lengths for wide openings		
Operating Configurations	Manual Sliding without track	Motorized Powered operating provisions by others	
Customization	Custom sizes Fabricated details Custom configurations		
Material		Finish	
			
Steel	Aluminum	Galvanized	Powder Coated
			
		Custom	Painted

Standard Cantilever Gate

Heavy-Duty Cantilever Gate

Motorized Cantilever Gates

Manual Cantilever Gate

CONTROLLED-ACCESS GATES

Security gates are precision-fabricated metal gate assemblies available in reinforced, anti-climb and controlled-access configurations. Products are manufactured in steel and stainless steel with project-specific dimensions and finishes.

DETAILS

Market Applications	Government & Military Airports Railways & Transit Industrial & Warehouses	
Dimensions	Custom dimensions based on security needs	
Operating Configurations	Manual Basic locking mechanism	Automatic Motorized operating provisions by others
Customization	High-security features (Reinforced security features)	
Material		Finish
Steel Stainless Steel		Galvanized Powder Coated Painted + Custom

Reinforced Sliding Gates

Reinforced Swing Gates

Anti-Climb Gate

Controlled-Access Gate Assembly

INDUSTRIAL GATES

Industrial gates are precision-fabricated heavy-duty gate assemblies manufactured for industrial facilities, warehouses and commercial applications. Products are available in sliding, swing and cantilever configurations.

DETAILS

Market Applications	Industrial & Warehouses Government & Institutional Airports		
Dimensions	Wide openings for trucks and machinery		
Operating Configurations	Manual Sliding or Swing	Automatic Motorized (Access Control)	
Customization	Heavy-duty configurations Custom fabricated details		
Material		Finish	
 Steel	 Aluminum	 Galvanized	 Powder Coated
		 Custom	 Painted

Heavy-Duty Sliding Gate

Heavy-Duty Swing Gate

Cantilever Industrial Gate

Fire-Rated Industrial Gate

CUSTOM DECORATIVE GATES

Custom decorative gates are precision-fabricated architectural gate assemblies manufactured in wrought iron, aluminum, laser-cut and custom configurations.

DETAILS

Market Applications	Residential & Mixed-Use Hospitality & Hotels Retail & Commercial Government & Institutional	
Dimensions	Fully customizable, size based on need	
Installation Methods	Manual Hinged, Sliding	Automatic Motorized operating provisions by others
Customization	Custom artwork Laser-cut designs Decorative details Unique finishes	
Material		Finish
Steel Stainless Steel Wrought Iron		Galvanized Powder Coated Painted
		Anodized + Custom

Custom Wrought Iron Gates

Custom Aluminum Gates

Laser-Cut Custom Gates

Illuminated Custom Gates

PRECISION-FABRICATED GATE PRODUCTS

SECURITY & SAFETY

Manufactured under controlled production and quality-assurance processes.

DURABILITY

Fabricated from selected materials for long-term product performance.

CUSTOMIZATION

Manufactured in custom dimensions, materials, configurations and finishes.

VERSATILITY

Manufactured for residential, commercial, institutional and industrial applications.

AESTHETIC APPEAL

Available in architectural profiles, materials and finishes.

PRECISION FABRICATION.
BUILT TO SPECIFICATION.
