ABOUT US

With over 50 years of experience, we are one of the leading architectural fabricators in the United States. We have completed countless projects with major contractors, developers, architects, and designers. We continue to set new standards for high-quality architectural fabrication.

At SD Industries, we specialize in precision-engineered metal, signage, and glass solutions tailored to meet the needs of architectural, commercial, and industrial projects. With a commitment to quality, innovation, and craftsmanship, we bring expertise and advanced manufacturing technology to every project. From custom architectural metalwork and high-visibility signage to durable glass solutions, we deliver products that enhance functionality, safety, and aesthetics. Our team is dedicated to providing superior design, engineering, and fabrication services, ensuring that every product meets the highest industry standards. Driven by excellence and customer satisfaction, we work closely with our clients to turn their visions into reality. Whether you need custom fabrication, installation, or consultation, SD Industries is your trusted partner in delivering high-quality, long-lasting solutions.

TABLE OF CONTENTS

STEEL STAIR RAILINGS

07

STEEL STAIR RAILINGS

Steel stair railings are strong, low-maintenance barriers that provide safety and support while adding a modern, industrial look to staircases in both residential and commercial spaces.

DETAILS

Market Applications	Airports Transit Stations Warehouses Government Buildings
Dimensions	1.5"–2.5" pipe, 2"x2" or 2"x1" tubing, custom lengths; Custom sizes available
Installation Methods	Surface mount Embedded Welded
Customization	Pipe size Picket spacing Finish options

Material		Finish		
 Steel	 Stainless Steel	 Galvanized	 Powder Coated	 Painted
		 Custom		

Mild Steel Pipe Railings

Welded Steel Tube Railings

Powder-Coated Steel Railings

Galvanized Steel Railings

Steel Picket Railings

Crash-Rated Steel Railings

STAINLESS STEEL STAIR

Stainless steel stairs offer a sleek, modern look with excellent corrosion resistance, making them ideal for both indoor and outdoor use in residential, commercial, and industrial settings.

DETAILS

Market Applications	Airports Hospitals Commercial Buildings Hotels
Dimensions	1.25"–1.5" pipe or rod, continuous rail; Custom sizes available
Installation Methods	Post-mounted Wall-mounted
Customization	Radius bends Mid-rails End caps

Material		Finish		
				
Steel	Stainless Steel	Brushed Metal	Polished	Custom

ADA-Compliant Stainless Railings

Polished Pipe Railings

Rod Rail Systems

Brushed Finish Railings

ALUMINUM STAIR RAILINGS

Aluminum stair railings are lightweight, rust-resistant, and durable, offering a clean, modern look with minimal maintenance for both indoor and outdoor staircases.

DETAILS

Market Applications	Retail Residential Mixed-Use Schools
Dimensions	Standard 42" height, modular lengths; Custom sizes available
Installation Methods	Mechanical assembly Surface mount
Customization	Panel infill Color Cap rail options

Material			Finish		
					
Aluminum	Anodized	Glass	Galvanized	Powder Coated	Brushed Metal
