DECORATIVE WIRE MESH PANELS

HELICAL NEST ARCHITECTURAL MESH SDI-C13

C13

The **SDI-C13** architectural wire mesh showcases a circular pattern formed by nested helical crimped wires. Its reflective surfaces are expertly aligned, creating a doubled visual effect. This double-wire design enhances the weave's strength, making it an ideal choice for railings, screen walls, space dividers, signage, and a variety of interior and exterior design projects.
