SUNSHADES / BRISE-SOLEIL MESH

FLEXIBLE SPIRAL-LINK MESH
SDI-B03

The **SDI-B03** is a flexible mesh pattern featuring substantial flat spiral links. Tensioning the Dune wire mesh makes it an effective, cost-saving option for façades, room dividers, and railing infill panels. Available in T316 stainless steel, copper-based alloys, or aluminum, this pattern also offers powder coating options to suit any project aesthetic. Multiple flexible mesh mounting systems are available to bring your vision to life. Contact us to explore the options that best fit your project needs.

B03
